

Standard Press™

Concrete Paving Slabs offer the same aesthetic brilliance as interlocking pavers or natural stone, but with ease of installation and competitive pricing. The patterns offered by Best Way Stone can replicate the appearance of interlocking paving stones and natural flagstone.

Size	Dimensions	Weight	Units/Skid
24x30	24x30x1.75" 600x750x40mm	105lbs 47.7kg	25
24x24	24x24x1.75" 600x600x40mm	75lbs 34.1kg	25
